

# Donncha Hughes Google Site

A Google Site has been created for clients to access information on Marketing, Finance, Sales and other Startup topics.

Startuphughes Google Site - Welcome

Access to this site can be granted by Donncha Hughes.

The primary purpose of the site is to share Business and Marketing Planning Worksheets.

We recommend that you bookmark this page <https://sites.google.com/site/startuphughes>

## To sign up

You will receive an email from Donncha Hughes inviting you to join the Google Site.

You will first need to create a Google Account. **You don't need to sign up for a Gmail email account to create a Google account and/or to access our Google site.** You can use your existing email address.

### Instructions to create a Google Account

1. Go to <https://accounts.google.com/>
2. Click on 'Sign up for a new Google Account' as highlighted by the circle below.

The screenshot shows the Google Accounts sign-up page. At the top left is the Google logo. At the top right, the link "Sign up for a new Google Account" is circled in black. Below the logo is a section titled "Sites" with the text "Thinking of creating a website?" and "Google Sites is a free and easy way to create and share webpages. [Learn more.](#)" There are three bullet points: "Create rich web pages easily", "Collect all your info in one place", and "Control who can view and edit". Below these is a link: "New! Create a site from dozens of pre-built templates". To the right of the text is an illustration of a laptop with a document and a folder icon. On the right side of the page is a sign-in form with the following elements: "Sign in" text, "Google" logo, "Email" label, an email input field, "Password" label, a password input field, a blue "Sign in" button, a checked checkbox labeled "Stay signed in", and a link "Can't access your account?".

3. Enter details into form
4. **If you want to use an existing email address for your Google account use this link**  
<https://accounts.google.com/NewAccount>
5. You will be required to input your current email address and to choose a password as per screen on next page.
